### Student Comments: ECON 3HH3

#### *Overall Quality of Instruction*

- “excellent”
- “He is really nice, considerate and supportive!”
- “I gained a lot from this course about international trade, the instructor was so nice and he’s always the first to answer our questions.”
- “It was a really good course and taught very well”
- “Oliver is a great lecturer, and goes out of his way to teach the course content in an engaging way. He very easily could have just read off of the slides, but drew countless models and provided real world examples. I could tell that Oliver really cared about the success of everyone in the class and made it very clear that he was always available to help students with any problems they may be having.”
- “Oliver is a really good professor, he is genuinely concerned for his students. Being a summer course, it is really difficult to get the student to focus, however Oliver took his time to know the course he is teaching and delivered lectures in a way where everyone was really engaged in.”
- “Perfect!”

#### *Overall Quality of Learning Experience*

- “excellent”
- “I had a great time learning this course.”
- “I really enjoyed the course and took a lot away from it”
- “I really enjoyed this course, the professor was very nice to answer all my questions, hope to take his course again.”
- “I was very interested in the course, and it was my first summer in person course, everyone took this course seriously and Oliver made our learning experience not as stressful as we thought summer courses would be.”

- “It was great! This is the final required class for my degree, and I was pretty feeling a lot of pressure to do well. I’m really glad this was the course I picked, and that I got Oliver as a lecturer; it was a great way to end my time at McMaster.”
- “Perfect!”
